## MAKE THE MOST OF YOUR SPONSORSHIP DOLLARS.

**Make the most of your sponsorship dollars. Provide an opportunity for your employees to make an impact on the life of a child in the Minot community!**

Companions for Children is the only youth mentoring organization in the Minot community and has been service children since 1972. In response to an unmet need, Companions for Children implemented a school-based mentoring program to allow more children to benefit from a positive role-model in their lives.

Sponsorship are a unique way for businesses to make the most of their sponsorship dollars and allow employees to volunteer over their lunch break two times per month! All sponsorships can be customized for your business, whether you have two employees or twelve. You can even choose to support monetarily and sponsor outside of volunteers.
